AMENDED IN ASSEMBLY MAY 27, 2014

AMENDED IN SENATE APRIL 23, 2014

SENATE BILL

No. 1060

Introduced by Senator Liu

February 18, 2014

An act to amend Section 44277 of the Education Code, relating to school employees.

LEGISLATIVE COUNSEL'S DIGEST

SB 1060, as amended, Liu. School employees: professional growth.

Existing law requires the Commission on Teacher Credentialing to establish standards and procedures for the issuance and renewal of teaching credentials. Existing law expresses the Legislature's intent to encourage teachers to engage in an individual program of professional growth that extends a teacher's content knowledge and teaching skills. Existing law provides that an individualized program of professional growth may consist of specified activities and courses.

This bill would require a local educational agency, as defined, that offers a program of professional growth for teachers, administrators, paraprofessional educators, or other classified employees involved in the direct instruction of pupils, to ~~consider high-quality~~ *evaluate* professional ~~development~~ *learning* that meets a specified list of criteria, including, ~~among other things~~, that it is based on an assessment of the needs of educators and tied to supporting pupil ~~learning~~. *learning, and would encourage local educational agencies to choose professional learning that meets any of the listed criteria.* The bill would specify various activities that may be included as professional ~~development~~

learning activities, ~~including, among other things,~~ including collaboration time for teachers to develop new instructional lessons.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 44277 of the Education Code is amended
2 to read:
3 44277. (a) The Legislature recognizes that effective
4 professional growth must continue to occur throughout the careers
5 of all teachers, in order that teachers remain informed of changes
6 in pedagogy, subject matter, and pupil needs. In enacting this
7 section, it is the intent of the Legislature to encourage teachers to
8 engage in an individual program of professional growth that
9 extends their content knowledge and teaching skills and for school
10 districts to establish professional growth programs that give
11 individual teachers a wide range of options to pursue as well as
12 significant roles in determining the course of their professional
13 growth.
14 (b) An individual program of professional growth may consist
15 of activities that are aligned with the California Standards for the
16 Teaching Profession that contribute to competence, performance,
17 or effectiveness in the profession of education and the classroom
18 assignments of the teacher. Acceptable activities may include,
19 among other acceptable activities, the completion of courses offered
20 by regionally accredited colleges and universities, including
21 instructor-led interactive courses delivered through online
22 technologies; participation in professional conferences, workshops,
23 teacher center programs, staff development programs, or a
24 California Reading Professional Development Program operated
25 pursuant to Article 2 (commencing with Section 99220) of Chapter
26 5 of Part 65; service as a mentor teacher; participation in school
27 curriculum development projects; participation in systematic
28 programs of observation and analysis of teaching; service in a
29 leadership role in a professional organization; and participation in
30 educational research or innovation efforts. Employing agencies
31 and the bargaining agents of employees may negotiate to agree on
32 the terms of programs of professional growth within their

jurisdictions, provided that the agreements shall be consistent with this section.

(c) An individual program of professional growth may include a basic course in cardiopulmonary resuscitation, which includes training in the subdiaphragmatic abdominal thrust (also known as the “Heimlich maneuver”) and meets or exceeds the standards established by the American Heart Association or the American Red Cross for courses in that subject or minimum standards for training programs established by the Emergency Medical Services Authority. An individual program of professional growth may also include a course in first aid that meets or exceeds the standards established by the American Red Cross for courses in that subject or minimum standards for training programs established by the Emergency Medical Services Authority.

(d) (1) If a local educational agency offers a program of professional growth for teachers, administrators, paraprofessional educators, or other classified employees involved in the direct instruction of pupils, the local educational agency shall ~~consider~~ *high-quality evaluate professional development learning based on all of the following criteria, and the local educational agency is encouraged to choose professional learning that meets all any of the following criteria:*

(A) Helps attract, grow, and retain effective educators.

(B) Is a part of every educator’s experience in order to accelerate instructional improvement and support pupil learning.

(C) Is based on needs assessment of educators and tied to supporting pupil learning.

(D) Emphasizes the importance of meeting the needs of all pupils.

(E) Is grounded in a description of effective practice, as articulated in the California Standards for the Teaching Profession.

(F) Affords educators opportunities to engage with others to develop their craft, including, but not limited to, opportunities to increase their content knowledge.

(G) Ensures educators have adequate time to learn about, practice, reflect, adjust, critique, and share what educators need to ensure that all pupils, especially high-needs pupils, develop knowledge and lifelong learning skills that will help the pupils to be successful.

(H) Recognizes and utilizes expert teacher and leader skills.

- 1 (I) Attends to collective growth needs as well as educators’
2 individual growth needs.
- 3 (J) Contributes to a positive, collaborative, and supportive adult
4 learning environment.
- 5 (K) Contributes to cycles of inquiry and improvement.
- 6 (L) Is not limited to a single instance, but supports educators
7 through multiple iterations or engagements.
- 8 (M) Is based on a coherent and focused plan.
- 9 (2) Professional—~~development~~ *learning* activities may also
10 include collaboration time for teachers to develop new instructional
11 lessons, to select or develop common formative assessments, to
12 analyze pupil data, for mentoring projects for new teachers, or for
13 extra support for teachers to improve practice. Appropriate
14 professional—~~development~~ *learning* may be part of a coherent plan
15 that combines school activities within the school, including, but
16 not limited to, lesson study or coteaching, and external learning
17 opportunities that meet all of the following criteria:
- 18 (A) Are related to the academic subjects taught.
- 19 (B) Provide time to meet and work with other teachers.
- 20 (C) Support instruction and pupil learning to improve instruction
21 in a manner that is consistent with academic content standards.
- 22 (e) For purposes of this section, “local educational agency”
23 means a school district, county office of education, or charter
24 school.
